

FOOD INGREDIENTS

FOOD INGREDIENT SOLUTIONS

Hydrite Chemical Co. is a single source provider of distributed dry ingredients and manufactured liquid chemical additives to food, industrial and manufacturing companies. What sets us apart from other ingredient manufacturers/distributors is our ability to be your “one-stop-shop” for all things chemical; one company, one shipment, one contact and one purchase order.

You will benefit with our:

- Extensive R&D facility
- Plant-wide offering
- Ability to bundle products for cost savings
- Strong raw material purchasing power
- Privately-owned fleet for on-time delivery and quality control
- Products manufactured under cGMPs and Quality Management Systems

USES

- Emulsification
- Buffering
- Preservatives
- Stabilizing
- pH adjustment

LIQUID ADVANTAGES

- Improved product consistency
- Ease of handling
- Cost effectiveness
- Reduced warehouse space
- Improved safety
- Reduced waste vs. bagged products
- Automated dispensing available for reduced human error

APPLICATIONS

- Meat
- Canning
- Dairy
- Beverage
- Bakery
- Pet Food
